

## **D3 Design Solutions Welcomes Scott Heivly**

May 11th, 2015

**St. Charles, MO** – D3 Design Solutions, LLC (D3DS) is pleased to announce the addition of CAD Drafter Scott Heivly to our team of engineering & design specialists. The addition of Scott further expands our reach within the design and 3D laser scanning arenas.

Scott recently completed his Masters in Architecture degree at Southern Illinois University at Carbondale. Scott has many years experience in project management, electrical design and operating/managing a plasma cutter for a local machine shop. Scott's talents will further expand our reach into the industrial and architectural market. Please join us in welcoming Scott to the team!

### **About D3 Design Solutions**

D3 Design Solutions is a St. Louis, MO based engineering design and software consulting firm specializing in industrial plant design, 3D laser scanning, engineering software management & training and construction support services. Our management team has a combined 60+ years of experience and are experts at finding solutions to your software, design and engineering needs.
